## Plan for aesthetic civic area receives Council consideration

Council considered an imaginative concept for development of the block of land across Churchill Avenue from Grandin Shoppers Park, at their March 4th meeting. The parcel is bounded by Grandin Road on the east and Remos Street on the west.

Armed with a large graphic sketch of the proposal, architect Stan Hodgson, whose services had been enlisted by Chief Administrator Robert Byron and who was acting on behalf of the St. Albert Branch of the Royal Canadian Legion, made an eloquent case for his plan. President Denny Taylor, building committee chairman for the Legion, Reg. Bremner, committee secretary and Wally Swenarchuk, branch secretary, represented the Legion at the meeting.

"The Legion," said Mr. Byron, "envisage a new building of 14,000 or more square feet, but with initial staging of 8,000 sq. ft."

The new site for the Legion building would be across Tache Street, directly east of their present site. Area north of the curling rink would be reserved for parking for about 130 cars, and the area south of the new building would allow for parking a further 70 or so vehicles. The parking areas would serve the Lions Park, curling rink and new Legion building.

It was felt that the proposed service station on Churchill and Grandin would have to be relocated elsewhere, and commercial development in the block should be of an office complex, institutional type which would be more compatible with the overall design.

Mayor Gibbon was concerned with access to the park and Mr. Byron said this would present no physical barrier from Remos Street. "From Tache?" asked the mayor. Mr. Byron thought that because of soil conditions the area north of Tache should be landscaped, as road building was difficult, or any other real use of this wet area.

Coun. Hudson said council should look at the whole thing - side to side and up and down and also consider the parking situation in Grandin Shoppers Park. He suggested closing St. Tho-

mas and dedicating the land to Lions Park. Coun. Hudson thought the parcel could be a beautiful civic area and agreed with relocating the service station, saying he would not favor strip development along this portion of Churchill Avenue. "Access to Grandin Park is impossible now," he said, "and this plan would also provide curling rink parking. We should develop from Lions Park to the far edge of the medical clinic with a view to civic pride."

"I have no argument with that kind of planning," said Coun. Bakker. Coun. Lukay asked "where do we stand with the service station?" and was told by Coun. Th-

ronson that "we have approved plans which include two washing bays."

Coun. Hudson felt council should also insist on a boulevard to buffer Churchill Avenue, and said this is a good time to "plan the whole block as a decent development."

Coun. Lukay wondered if the parking area was adequate and Mayor Gibbon said he shared this concern, "perhaps at certain times," but felt that in the main it would serve the curling rink, park and Legion, but "there is no parking space on the north side of the curling rink," he noted.

## 2849 Citizens petition against zoning decision of Council

The St. Albert Community Planning Committee with the aid of 70 enthusiastic volunteers gathered 2,849 names on a petition directed to the Minister of Environment, the Hon. W. J. Yorko.

This was done during the day Sunday, and on Monday and Tuesday evenings. The committee wishes to apologize to the citizens who canvassers were not able to contact due to the necessity of presenting the petition on Wednesday.

Decision to prepare the petition was made at the Annual General Meeting of the Committee last Thursday evening.

The petition states --

Dear Mr. Yorko,

We, the undersigned residents of St. Albert, hereby petition the Hon. Bill Yorko and the Government of the Province of Alberta to freeze all industrial development in the area N.E. 2-54-25-4, (the Synchrude proposal), and within the area designated on the attached map.

We request that a green belt (a restricted development zone) be established, similar to the suggested sketch on the map, to serve the dual purpose of a buffer zone and provide a park and recreation area for the joint use of the people of St. Albert and Metropolitan Edmonton.

We further request that

no industrial development be permitted between existing residential areas and the suggested green belt.

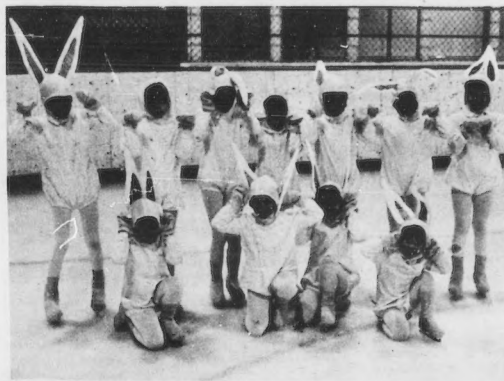

The petition was presented to the Legislature Wednesday by M.L.A. Jamison, on behalf of the Community Planning Committee. It carried a covering letter by the president of the Committee, Mr. R. H. M. Plain, which states the major concerns of the committee and suggests that a moratorium should be placed on all industrial development within the confines of St. Albert and related areas of M.D.

## Fish & Game banquet draws sell out crowd

The 6th Annual Wild Game banquet attracted a sell out crowd of 250 to the Community Hall Saturday evening, when Mr. Bill Flynn, Reeve of M.D. of Sturgeon was the amiable master of ceremonies.

Highlight of the event was the awarding of the coveted trophies for fish, birds and big game taken.

J. P. Roy was awarded the Sam's Cycle and Tackle trophy for his 5 lb. 10 oz. Walleye. With a 3 lb. 5 oz. Lake White Fish Harry Roy collected the R. D. Murray Drilling award. Don Savard's 1 lb. 3 oz. Herch was good for the Northgate Motel trophy and a Rainbow Trout hooked by Bill Hodnett won him the Reliable Sheet Metal trophy. Roy Troughton, with a 3 lb. 12 oz. Rocky Mountain White Fish, was awarded the Canada Safeway, St. Albert, trophy and

The Peter Cottontail number to be presented at the production of Pot Pourri by the St. Albert Figure Skating Club will be a delightful focus on the Easter holiday, tying with the pot pourri theme on Canadian holidays throughout the four seasons. Mr. Lawrence Wakfield will be master of ceremonies and the Saturday evening performance will be opened by Mayor Ray Gibbon at 7:30 p.m. Recreation co-ordinator, Renee Laird will open the Sunday matinee at 2:30.

Sturgeon until comprehensive land use and environmental impact studies are carried out.

The Planning Committee has also forwarded letters stating the citizens concerns to the President of Imperial Oil in Toronto and to the President of Synchrude.

Skaters from beginners to expert level have put together a fine carnival production which people of all ages will enjoy this weekend. From the duet by Joanne Hunt and Sue Pavelich which opens the show, to Deborah Lynn Paul's solo which concludes it, the program is designed to display the skills of the skaters in areas of line work, dance routines, and musical interpretation.

The color and variety will be enhanced by new sets and delightful costumes in tune with the pot pourri theme on holiday celebrations. Come out and see what St. Albert's 135 figure skaters can do.

## ETS Bus Service will commence Monday

The ratification of City of Edmonton Council of an ETS bus service contract with St. Albert assures the town of uninterrupted service. Councillor John Bakker said yesterday that he had word from the town staff that the bus loop and loading platform, under construction immediately west of Klondike Inn on Grange Drive, will be ready on Monday also.

Mr. Bakker said also that ETS buses would probably be doing some trial runs

starting Wednesday to familiarize drivers with the route. For the present, he said, routes will remain as they are and there has been no change in fares. He also stated that St. Albert would need standard buses.

The town will be delivering a flyer to residents this week with route map and schedule.

The contract covers the period April 1, 1974 to August 31, 1975 at a basic cost of \$229,600 and a resolution

has been adopted by town council to advise the provincial government of the estimated deficit and request assistance with regard to operating costs. The deficit will be in the neighborhood of \$125,000, based on demand for service as it has been under the Western Bus-line contract.

Councillor Bakker said that discussions would continue on working out transferability and financial arrangements with ETS.

building," said Coun. Hudson - "It should be a policy as it is in Edmonton. Landscape there."

Coun. Thronson was concerned with provision in the area for senior citizens and thought the old Legion building could serve as a meeting centre for them. He said he was opposed to moving the

Teen Coffee Centre on Mission Avenue to the area.

"The teen centre is quite a bit larger," noted the mayor. Coun. Hudson suggested putting the seniors centre into the Legion building. Coun. Thronson objected to not considering the old Legion building for seniors' use.

Coun. Lukay asked about the land price for the Legion site and Mayor Gibbon said roughly \$225,000.

Coun. Hudson said the town should look beyond the Legion building to recovery of necessary amenity space. The cost of recovery he felt would be worth it -- we face fantastic congestion now, across from Grandin Park. He suggested council look at purchasing the total block for purpose of development, partly commercial.

The mayor agreed that council was not looking at just the Legion development - a health unit development is possible - and others.

Mr. Byron said he had talked with members of the Lions Club, who were con-

cerned with generating any more traffic - particularly with children crossing from the commercial area.

Coun. de Bruijn asked if discussions had been held with the curling club. They will be coming to us regarding a larger plant. Mr. Byron thought expansion of the curling rink was permitted in the plan. Also that the town might not want all curling facilities in one area.

"In this use," said Coun. Bakker there is not full recovery of land - some would be financed over a period of years," Mr. Byron believed it might be possible to gain full recovery from commercial developments in the area. The Mission Avenue land requested by the Legion was \$2 per square foot and in this parcel \$2.10, he said. "So little is lost and much to be gained."

Coun. Bakker wondered how to best do the financing - "swap with the Legion for some land - use the old site for parking - that cost is not recoverable. We would need a money

bylaw," Mr. Byron said the town "could borrow over a three year term. If longer, then it would be necessary to go to the debenture process."

Mayor Gibbon said "we approved the Mission Avenue building, which is now in the downtown plan, and recoverable. Under this plan the Legion building would go into a C1 commercial area. Coun. Lukay favored the new location and the proposal before council for the area.

"Money is the only problem," said Coun. Fyfe. "It is perhaps a good investment now," said Coun. Lukay, depending on how effective the parking use is." He moved a recommendation to approve the proposal in principle. Coun. de Bruijn said it was an excellent concept for the area and felt locating a senior citizens centre in the Legion building was a good idea. But he said it would take a "fair amount of construction to justify the parking - perhaps more than we can afford." He shared Coun. Bakker's concerns on methods of financing and wanted to see a specific, detailed layout of the plan.

Coun. Bakker moved that the proposal go to staff on methods of financing and what recovery may be expected. Motion carried unanimously.

Discussions continued briefly on the seniors using the proposed Legion build-

ing and Coun. de Bruijn observed "It is not too far down the road, when 80 per cent of the Legionaires will be senior citizens," ending the session in lighter vein.

The Legion expects to be meeting again with council in the near future.

# Kin celebrate 10th anniversary

Last Saturday the Kinsmen Club of St. Albert held its 10th Anniversary Ball at the St. Albert Inn with

the Rev. Hart Cantelon as guest speaker. The Kinsmen Club of St. Albert became the 40th club

under the 54 year old Kinsmen banner on May 4, 1964 and has played an active and important role within the community since that time.

In 1965 the club undertook a tremendous project, that of a professional Rodeo, and in this way celebrate the birthday of Alberta's oldest town. However, due to torrential rains in June 1965 they became known as the St. Albert Rainmakers.

The club has sponsored two District Governors, Don Sinclair and Bill Hite. Bill and his executive won the distinction of being the most efficient administrator in all of Canada during the 1972/73 Kin year.

The club is involved in

many projects, such as peanut drives, Kinstakes, skateathons, beer fests, and minor hockey, and still had time to show movies to St. Albert children every Saturday.

As a result of these projects it was possible to put in a new artificial ice plant at a cost of \$45,000 and the arena is now a second home for more than 1,100 young Bobby Hulls.

In March 1967 the Kinette Club was formed and since then have contributed countless hours in their own service to the community as well as taking an active part in the many Kinsmen activities. The St. Albert Kinettes were named the most outstanding Kinette Club in the District for two of their eight years.

## Mrs. Gervais comments on trip

Mabel Gervais in a brief

chat Tuesday evening had a colorful mixed bag of comments on her trip to Berne Switzerland to watch her son Hector curl in the Silver Broom. Temperatures were in the 70's and it was wonderful to see the green grass, crocuses and tulips in bloom - but toast was a 'dirty word' over there, she commented. "After all those hard buns I feel as if I should go and have my teeth sharpened!"

A highlight was a visit to the Canadian Embassy and meeting Ambassador Cote and his wife in their grand residence. Mrs. Gervais and Mrs. Cheigny were driven back to their hotel in a large limousine - "but that was about the only big car I saw," she said, commenting that gas was \$1 for a small gallon.

She also enjoyed very much the opening ceremonies. One hundred men and 100 women were present in traditional native costumes and the bagpipes were handled by pipers from Saskatchewan and Manitoba. Watching the curling was a big thrill each day - and what they said about the sparrows was true.

One would get accustomed to living in Switzerland, she said, but it is good to be back, and I think Alberta is the place for me.

### Post predicts shift to left

There is a strong likelihood that the next federal cabinet shuffle will mark a pronounced shift to the left for the Liberal minority government, speculates Stephen Duncan in The Financial Post. Talk of a major cabinet shakeup is growing more frequent among insiders in Ottawa. Only Prime Minister Trudeau and his very closest advisers know for certain, of course, what is going to happen. But there are compelling reasons for believing that Trudeau is considering a complete shuffle of his ministers -- probably in mid-April -- and that when it does occur, the main goal will be to break up the dominant conservative wing in the current cabinet.

By doing this, Trudeau would be giving a clear sign that the government's emphasis would shift to policies variously described as "less conservative, more nationalistic and somewhat left of centre." A shift of this magnitude would have the obvious political appeal of undercutting the NDP on that party's more popular stands. And it would open the cabinet up to what one minister describes as "fresh and more liberal ideas."

The key ministers in that group on the move are considered to be John Turner in the Finance portfolio and C. M. Drury, President of the Treasury Board, according to the Post. Between them - Drury with his control over departmental spending, and Turner who prepares the budget - the two wield enormous power. They are undeniably the two most influential members of cabinet and it is their like-minded philosophies that have shaped the style and content of the Liberal's economic policy. Both Drury and Turner have fought tough battles to keep the lid on government spending. And they have been the main opposition within cabinet to moves to increase the government's role in the private sector.

But there has been mounting resentment lately among other cabinet ministers, many of whom have seen the projects closest to their heart scaled down or rejected by Turner's and Drury's budgetary and expenditure objectives. "It is only by breaking up that team and moving new people into those positions that cabinet will ever adopt new policies," says one insider. "And if we don't get some fresh policies damned fast, then this party will be left out in the cold when an election is called." If this is what Trudeau himself is thinking, then his strategy would require moving Turner, the Post says. That move would probably be from Finance to External Affairs. It is the only portfolio open to a Finance minister that cannot be regarded as a demotion, or one that would jeopardize or weaken his future political hopes. Drury is the other key element in this plan. There is some belief that he might resign his cabinet seat. He has held senior cabinet posts since 1963 and has been one of the great stabilizing influences in the Trudeau government since his appointment to Treasury Board in 1968.

### Could those who pay have some say

The Editor:

At the council meeting this week, I was disturbed to find that St. Albert Town Council interpret as interference in its affairs the fact that MLA Ernie Jamison has performed his duty as an elected official in listening to and acting upon the concerns of a large number of St. Albert residents regarding their desire for a green belt and their apprehensions over the Syncrude proposal.

Of course, the Town Council proved itself unwilling to listen to some of those same residents on March 11, when it rushed through the second and third readings of the rezoning bylaw as soon as it could decently end the Public Hearing on the matter, and refused either to delay the bylaw for even one week or to join the citizens in petitioning the provincial government for a green belt.

One of Councillor de-Brujin's remarks really is true, but has far wider implications than he intended. He stated at council on Monday: "Let those who want to do the planning pay for it!"

Has council forgotten that those who collectively provide most of the town's income - whether it is distributed by the provincial or the local government - are the residents?

So, town council, how about letting those who pay for it have some effect on the planning process? Why refuse to

hold the Annual Town Meeting this Spring? What are you afraid of? When is council going to lose its arrogance and become more responsive to the wishes of its electors?

## Union increases dividends

At their annual meeting earlier this month the St. Albert Savings and Credit Union reported a particularly successful year, profit wise, and a dividend increase from four to four and one-half per cent.

The 14th annual report also noted that two deferred accounts of approximately \$9,000 had been paid off, which had been incurred in order to bring the firm's reserves up to increased standards.

New services offered by the Credit Union since they moved into their new building include safety deposit boxes, money orders and traveller's cheques. They are also hoping to provide

service for members wishing to pay utility accounts at the St. Anne Street office.

The report of the Board of Directors noted a membership of 1,500 at year end and a total of \$1,280,000 in assets. The manager's report showed a return to members in dividends and interest for 1973 of \$39,740 and a cumulative total over the past 10 years of \$144,500.

The Credit Committee reported 376 loans granted in 1973, 26 refused and seven extended. Total monies loaned were \$740,883, with an average loan value of \$1,710.

During the business meeting the board was given authority to borrow up to 50 per cent of the Credit Union's

capital funds. It was also decided that members will no longer be charged annual dues, which will now be taken out of general revenue. Entrance fee of 25¢ for new members was dropped.

Manager Leo Alain reported this week that growth over the first two months of 1974 is most promising, and if it continues at this level the Credit Union could approach the two million mark in assets by the end of the year.

When they moved into their new premises in November the Credit Union were also celebrating their 10th anniversary and Mr. Alain noted that they began in the fall of 1963 with assets of only \$30,000.

Election of officers whose terms were up took place and Gordon Willis is the new president, with Harold Vague as vice-president. Past President Albert Lesburg was re-elected to the Board of Directors and new directors are Hubert A. Lamoureux and Peter A. Shewchuk. Completing their terms are Chris Bendick and Adam Hauptman.

Paul Bouchard was elected president of the Credit Committee and serving on the committee are Ken McAmmond, Mrs. E. Montpetit, Doug Taylor and Richard Henneman.

William Stewart is chairman of the supervisory committee and Blanche Holliday and P. E. DiHane were elected to the committee.

A luncheon was served following the meeting and a dance in the community hall rounded out a highly successful evening, with about 160 members and guests in attendance.

## 25 teams expected - Pro team ski race

Ski teams from British Columbia, Alberta, Saskatchewan and Manitoba will converge on Kelowna's Big White Ski development to compete in the Molson-Canadian Ski Instructor's Alliance Pro Team Race on the weekend of April 19, 1974. It is expected that close to 25 teams from Western Canada will be competing for the \$3,500 prize money put up by Molson's.

The teams, comprised of CSIA members in Western Canada, will come from ski areas that have featured the Molson Molstar Program during the '73/74 season. Each team of three members will consist of a ski school director, at least one Molstar pacesetter and a full time instructor from the hill they represent.

To qualify a team, the area must have held 10 or more Molstar events this ski season, with a minimum of 200 entrants in total. Areas that have had over 500 entrants participate can enter two teams if they wish.

The race will be set up as a dual giant slalom course, and the team recording the fastest combined time will win the \$1,200 first prize money.

In addition to the Pro Team Race, there will be a Molson-CSIA Freestyle contest held in the afternoon of April 20. Several hills have already qualified teams with many others on the verge of hav-

ing the minimum number of entrants. The increased number of teams expected to compete this year is a

reflection of the projected 12,000 Molstar participants this season -- almost double that of last year.

Waste Watchers Guide to Energy is an informative illustrated booklet recently published by Northwestern Utilities and Canadian Western Natural Gas companies.

There are useful ideas how to get the most efficient use of energy around the home, from kitchen range, refrigerators, laundry units, heat-

# Mounted Police Conference will focus on history

The University of Lethbridge and the Historical Society of Alberta are co-sponsoring a Mounted Police Conference from May 12-15 1974 at the University of Lethbridge. The conference will bring together some of Canada's leading authorities on police history, and has been designed to appeal to a wide cross-section of the

public. Among those expected to attend are students, teachers, members of historical societies and members of the general public.

The program, in outline form, is as follows:

Sunday, May 12 - Registration desk opens at 3 p.m.

Monday, May 13 - Dr. S. W. Horrall, RCMP Historian, Ottawa - "The March West," Prof. R. C. Macleod U of A., Edmonton - "The North-West Mounted Police and Politics," Prof. R. T. Harrison, U of A Edmonton - "The NWMP in Literature". Films.

Tuesday, May 14 - Prof. D. H. Breen, U.B.C. "The NWMP and the Ranching Industry," Prof. W. R. Morrison, Brandon University - "The Police and Native Peoples of the Northern Frontier 1895 - 1925," Prof. B. Reeves, U of Calgary, "RNWMP Outposts in Southern Alberta: Their Relocation and Identification," Hugh Dempsey, Glenbow Institute, Calgary "Writing-on-Stone and the Boundary Patrol."

Wednesday, May 15 - J. Jennings, Calgary, "The Plains Indian and the Law: Enforcement of Law on the Canadian and American Frontier, 1873-1885," Mrs. C. Daw, Lethbridge - "The Forgotten Horseman - The Career of Sergeant Major Bray," C. Frank Turner, Toronto "Sitting Bull Tests the Mettle of the Red Coats 1877 - 1881," Prof. H. Klassen, U of Calgary "The Mounties and Canadian History."

6:30 p.m. Conference Banquet. Guest speaker Prof. G. Stanley, director of Canadian Studies, Mount Allison University, N.B.

Following the conference proper, tours will be arranged, for those interested, to such historic sites as Fort Whoop-up, Fort Macleod and Writing-on-Stone. This will be on Thursday, May 16.

Those participating in the conference will be able to use university residences and cafeterias if they so desire.

Registration fees are as follows: Advance Registration (to May 1) \$20., Late Registration (after May 1 or at Conference) \$22.50; Student Registration \$10.00. Babysitter lists will be

posted at the registration desk - for those requiring babysitters for their youngsters.

Conference proceedings will be published in book form and a program of advanced sales of the book is being carried out.

Additional information about any aspect of the conference and registration forms may be obtained by writing to: Mounted Police Conference, P. O. Box 974, Lethbridge, Alberta, T1J 4A2.

## Consumers look at health care

The 1974 theme of CAC's annual Consumer Week "Prescription for Health" also forms the focal point for the April magazine. The Consumers Association takes a close look at consumer-sponsored community health centres in three separate articles in the April issue of Canadian Consumer.

CAC presents the pros and cons and leaves it up to you to decide whether such centres are the answer for your community. One health authority feels the majority of Canadians are satisfied with current health care arrangements. And he also argues that most Canadians do not want comprehensive and continuing care. Consumers are accused of contributing to poor health by their reluctance to relinquish questionable personal habits, such as smoking and excessive pill-taking.

### PILL PRECAUTIONS

One of the pills that an increasing number of Canadian women take every day is the oral contraceptive. What price do women pay for such almost perfect protection against pregnancy? A concerned CAC member

expresses her serious misgivings about the widespread use of oral contraceptives. The article covers all the well-known possible side effects, such as mood changes and nausea, as well as many less publicized, including vision changes and gum inflammation.

Before oral contraceptives are prescribed, a woman should receive a complete medical examination including measurements of blood sugar and fats, liver and kidney functions, and a complete urinalysis as well as a Pap smear test. Consumers' Association of Canada reminds women that the pre-pill examination should be repeated after one year and should include an eye examination. An annual Pap smear test is particularly important for women on the pill. CAC National Office is located at 100 Gloucester Street, Ottawa.

## Air Cadets grateful to CFB Edmonton

The staff of 533 Air Cadet Squadron St. Albert would very much like to express its long overdue gratitude to the families and staff at CFB Edmonton.

Since 1972 the youth of Namao and Griesbach have been provided with the opportunity to participate in the activities of this top rated squadron but no public recognition outside of St. Albert has been given.

To the parents we would like to express our appreciation for the many hours and personal expense involved to provide transport for their youth to St. Albert, for their participation in fund raising, for long hours in making telephone arrangements, and for extra curricular donations of personal supplies for such things as weekend building projects at

Camp Wright.

A more formal thanks should be provided to the staff at Canadian Forces Base Edmonton for their fine efforts in arranging transportation when available, for accommodation, sports, drill and competitions, providing rations and facilities for educational tours.

The St. Albert community sincerely appreciates this support and hopes that there is a measure of success in the betterment of youth in general.

Two men had sat over their coffee for two hours, taking up space in a busy eating place. Finally the waitress handed them a check for \$3.

"No," replied the waitress. "It's a parking ticket."

# Chiefs come from behind win exciting zone final

St. Albert Fire Chiefs dug themselves into a lot of holes over the winter, but they always managed to dig themselves out.

Sunday afternoon, with about 300 people watching in St. Albert and District Arena it appeared they had finally gone a little too deep.

Returning from Jasper trailing 5-3 in a two-game total-goal series for the bantam hockey zone championship, Chiefs saw the margin go to 7-3 as Jasper scored the opening two goals in St. Albert.

It was the start of an uphill battle that turned into one of the most courageous and exciting displays any two teams have put on here this year.

When it was all over, Chiefs had won the game 7-4 and the series 10-9 and the right to travel to Strathmore for the provincial final against the other five zone winners, April 5, 6 and 7.

Many times in the final game it appeared to be all over for the locals as Jasper countered their comeback attempts with scores of their own.

Larry Sander and Paul McCann scored in the opening period to cut Jasper's margin to 7-5, but Gary Hillworth scored for Jasper with only 35 seconds remaining in the period, the

fifth of six goals he was to score in the two games.

Jasper entered the second with an 8-5 lead but Chiefs surged to the attack relentlessly and closed the gap on goals by Dave Fraser at 6:30 and Blake Millroy at 7:30. Hillworth restored Jasper's two-goal margin at 10:40 but Joe Tworek counted for St. Albert at 17:59.

Trailing 9-8 entering the third, Chiefs continued to press but suddenly ran into a rash of penalties, playing a man short for five minutes and two men short for one.

They weathered the storm, however, and at 10:50 Millroy slid a pass to Larry Sander in front and Sander relayed to Dave Shipanoff at the side of the net. Shipanoff whipped a backhand past goalie Lerner Leinweber for the tying goal.

Two minutes later Kenny Young blocked a shot at the point and broke out with one defenceman back. He cut to his right and using the defenceman as a screen, blistered a shot over Leinweber's shoulder for the winner.

Chiefs weren't out of it yet, however, as a minute later they were again a man short. They held, but the miracle seemed to be at an end when they picked up further penalties at 15:25 and 15:47. Some great pen-

alty-killing by Gilbert Longpre and Joe Tworek on defence and Ronnie and Larry Sander and Paul McCann up front held Jasper off again.

With 15 seconds to play, Chiefs appeared to have the lock on the game with a face-off in Jasper's end. But with five seconds left, Jasper broke out. Hillworth fed a pass to Bob Dobrota as Dobrota broke into the clear at Chief's blueline. He fired to the open corner but Kevin Jennings came up with the save of the afternoon, gloving the puck just before the buzzer.

In Jasper, Chiefs were down 3-0 in the second before they hit the scoreboard. They made it 3-2 and later 4-3, but Jasper made it 5-3 late in the third to bring the two-goal edge to St. Albert.

Ronnie Sander, Larry Sander and Graham Brown scored for Chiefs in Jasper. Jasper outshot Chiefs 20-8 in the opening period, but Chiefs held a 33-13 edge over the next two.

The crowd was continually on its feet in the dying minutes of the game in St. Albert and at the end, amidst the thunderous applause for its own, it gave three cheers for Jasper, a fitting tribute to a gallant foe.

Cindy Oakes, right, skipped her team through to top the B Event in Girls Curling this season, with Laurie McGregor, third, Linda Bay, second and Kim Devine at lead.

## Minor baseball Registration dates set

The St. Albert Lions and the St. Albert Knights of Columbus are once again sponsoring minor baseball in St. Albert. Main purpose of this program is to allow every boy in St. Albert the opportunity to play organized ball.

Hockey and skating are part of the physical education program at Vital Grandin School and for the second year the hockey program concluded with a hockey school. Dan Bouwmeester, phys. ed. instructor is seen at right in blue jacket and at back left, against the fence, Rick Peterson, Brian Middleton and Dale Henwood of the Golden Bears are ready to put the Grade 3 and 4 boys through their paces at Sturgeon Rink.

## Golden Bears assist in VG hockey school

On Monday, March 11 and Wednesday, March 13, approximately 180 boys from Grades three to six, participated in a very successful hockey school. Monday's session took place at the Sturgeon Rinks and Wednesday's session took place at the St. Albert Arena. The hockey school (second annual), was organized and run by a former Golden Bear, Dan Bouwmeester, who is presently teaching at Vital Grandin School.

Dale Henwood (goalie), Brian Middleton (defense) and Rick Peterson (forward) were present on Monday afternoon when the Grade three and four boys had their session.

On Wednesday afternoon, Ken Irving (goalie), John Simkin (defense), Abby Herbert (defense), Bruce Crawford (forward) and Clarence Wanchulak (forward) were in attendance for the Grade five and six sessions.

The participating boys received excellent instruction in the areas of skating, shooting, passing and stick

handling. At 15 minute intervals, through each afternoon; the Bears rotated and met with the various groups which were split according to ability levels. The afternoon was concluded with six 'shiny' games being played

across the ice.

The girls from Grades three to six were not left out however, they enjoyed an afternoon of swimming at the YWCA and 700 Wing Pools on these afternoons. -o-1

## Listers five were not enough

A five goal performance by Matt Lister was not quite enough as the St. Albert Juveniles lost a 8-5 game to Stony Plain Saturday. It was the opening game in the best of five final for the Northern Alberta Minor Hockey League.

St. Albert fell behind 4-1 after the opening period and were 6-3 losers after 40 minutes of play. Lister's five goals midway through the final period brought them to within one of Stony Plain but a five minute sparing penalty to Ian Langridge resulted in two more goals to

Stony and put the game out of reach.

Roger Meunier assisted on all of Lister's goals while captain Terry Kelser helped out on three.

Penalties proved costly for St. Albert as Stony scored four goals while enjoying the man advantage.

## Barons obliterate Westlock

St. Albert's Sportshop Barons midgets scored convincing 7-1 and 12-0 wins over Westlock Sunday and Monday in St. Albert, to capture the Northern Alberta Minor Hockey League championship.

The Barons were forfeited the series by Westlock, after the second win in the best of five series. The third game was scheduled for Westlock.

St. Albert completely dominated play through both contests, and every Baron player but the two team goalies figured in the scoring.

Sunday the Barons led 6-0 before Westlock managed to score late in the third period, while the visitors never had more than two dangerous shots in Monday's whitewash.

In the opening contest a drive by defenceman Wayne Kuzio deflected past a surprised Blain Cooper in the Westlock nets off the skate of Kirk Ledgerwood from 25 feet out midway through the second period.

Three minutes later Rod Olsen hammered away at a rebound at the corner of Westlock's goal crease until he had the puck behind Cooper and the goal eventually proved to be the winner.

Defenceman Earl Evrandew and left-winger Steve Foreman scored 35 seconds apart with 16 minutes gone in the second, to put the Barons into a 4-0 lead, and then Foreman got his second mid-

way through the period to put the Barons up 5-0. Gary Ferguson and Darrel Billesten combined 50 seconds later but Larry McGlone spotted goaltender Keith Logan's bid for a shut-out with only seven minutes to go, when he beat Logan from close in with a low drive. St. Albert was playing two men short at the time.

Chris Hoffart scored unassisted for St. Albert with 50 seconds remaining in the game to round out the scoring.

A total of 39 penalties were called in the game, 21 to St. Albert.

Monday, defenceman Terry Leddy's point drive caught the corner on Cooper with only 34 seconds gone in the opening frame, and Billesten's first of two midway through the period gave the Barons a 2-0 first period lead.

Centre Greg Thibert got the first goal of his perfect hat-trick at 2:35 of the second, when he deflected a

Leddy shot home. Midway through the period Thibert combined with Wells for his second, and a 4-0 Baron lead, and then four minutes later he made it 5-0 when he again combined with Leddy.

In the third the Barons completely dominated play as both Billesten and Leddy picked up their second goals, while singles went to Ledgerwood, Hoffart, Ferguson and Doug Cinnamon.

Logan and Dennis Lafleur split goaltending chores to register the shutout. Thirty-three penalties were called, 19 to St. Albert.

The Barons, Northwestern Alberta midget B zone winners, met Wetaskiwin in exhibition hockey at a Fort Saskatchewan tournament Tuesday.

The Barons have been told the provincials will be held in Medicine Hat April 5 to 7, with five of the six teams already decided. Attending the double knockout provincials will be Fairview, Camrose, Fort Saskatchewan, St. Albert and Medicine Hat.

## Hercules Soccer

Registration for boys born 1958 to 1968; girls born 1959 to 1962 will be held on Friday, March 29 from 7 to 9:30 p.m. in the Grandin Clubhouse (next to the swimming pool).

Registration fees are \$5 for a single membership and

\$7 for a family membership.

After this date additional registrations will only be accepted at the Parks and Recreation Department provided additional players are required in specific age groups.

Registration forms, which require the signature of a parent or guardian, will be available at the time of registering.

### FIGURE SKATING:

There will be two performances of the annual carnival presented by the St. Albert Figure Skating Club on Saturday, March 30, 7:30 p.m. in the evening and on Sunday, March 31 - 2:30 p.m. Tickets are \$1 and are available from members of the St. Albert Figure Skating Club as well as at the St. Albert Sportshop and Hutchings Shoes.

### PUBLIC SKATING:

There will be no public

skating on Wed. March 27, April 3 and 11 from 7 - 8:30 p.m. and on Saturday, March 30, April 6 and 13. Parents and preschoolers will still be held on Wednesday mornings from 10 - 11:30 a.m.

### BASEBALL:

Registrations for baseball will be accepted on Saturday, March 30 and Saturday, April 6 in Robert Rundle School from 9 a.m. - 12

noon on both days. It will be impossible to carry out a successful program without the assistance of parents. This is most important as it is the aim of the Association that every boy who wants to play baseball shall have an opportunity to do so. Your help is urgently required, so let's get together and help make the baseball program a success.

## Re-activate Gun Club - meeting decides program

At the annual meeting of the Lindhurst Lake Gun Club, held two weeks ago, members decided to make a real effort to revive the club, which has been inactive for about five years.

Prior to that time it was a very active club indeed with upwards of 70 members and excellent facilities in the beautiful outdoor setting at Lindhurst Lake. There is a clubhouse, 100 yard

rifle range and two traps. Floyd Natrass went shooting there on one occasion and was much impressed and thought the site and facilities ranked high among those in the province and elsewhere.

The club operates under the approval of the Attorney General's department and the ideal location and lovely setting make it a valuable property for its use.

It will however take some hard work to restore facilities and get the club moving again. About five active directors remain in the organization one of whom is Mr. Doug Penny of St. Albert. The meeting decided to keep the membership fee at \$10 as it was previously.

Anyone interested should telephone Mr. Penny at 458-1183 evenings, or 459-4234 during the day.

Christine Ahronson, St. Albert's Provincial bowling champion displays the Youth Bowling Council Banner she was presented with following her win in Calgary. Christine will now compete in Ottawa in the National finals.

## Local bowler wins

Eleven year old Christine Ahronson is Alberta's Bantam Girls Singles Provincial Champion and will represent the Province in the National Finals to be held in Ottawa April 21 to 26.

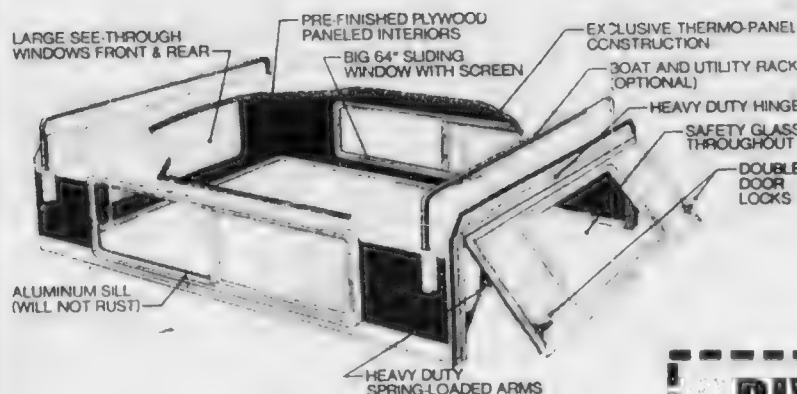

Christine defeated five opponents in the bantam event at the Youth Bowling Council Provincial Championships, played March 17 at Chinook Lanes in Calgary, to gain a berth into the national play-downs.

She took the lead after the first game and held on under tremendous pressure. Christine rolled a 596 triple with games of 229, 197 and 170, sporting a 198 average

for the three games. Her total was good enough to defeat her nearest opponent by 23 pins.

A resident of St. Albert, Christine bowls regularly Saturday mornings in the YBC league at Coral Bowl. For her efforts she received a banner to hang in her room and one for her bowling alley. Before she leaves for Ottawa she will be presented with a bowling shirt and a hat featuring Alberta's colors.

Christine will be a worthy representative of our town and province and has the good wishes of the entire community in her bid for the National Championship.

## Air cadets have busy calendar

The members of 533 Air Cadet Squadron St. Albert have many extras planned for this spring.

Coming up during March, April and May are such things as a weekend building Bee at Camp Wright, an educational weekend tour at CFB Cold Lake, an exchange visit to Athabasca and hopefully the commencement of a Paragliding course.

A major highlight is the annual inspection of the

squadron on May 9, and most important is the parent cadet annual banquet scheduled for April 25.

THE Air Cadet Squadron is a very active organization as is indicated by the 1973 record of 37 regular parade and 38 educational tours or field trips.

## Lieut. Col. Macleod...

## Respected as a Soldier.

## Honoured as a Diplomat.

## Trusted as a Man.

Lieut. Col. James Farquharson Macleod was left with a small detachment of men on the banks of the Belly River with orders to build a fort, treat with the chiefs of the Blackfoot Nation and stop the whiskey trade. Almost at once he arrested and fined a group of whiskey traders in the vicinity. He told the Indians that the Mounties would protect them providing that they obeyed the Queen's laws. He kept his promise. He told the settlers that the old days were over, that they would have to obey the Queen's Law. He kept his promise. Macleod dealt so fairly with the Indians that Bulls Head of the Piegiens honoured him with his own name . . . Stamixotokon. In 1876 Macleod became the Second Commissioner of the Force and one year later, September 22, 1877, was present at the signing of Treaty Number Seven between the Government and the Blackfoot Nation. Lieutenant Colonel Macleod . . . a great man in a history one hundred years proud.

## People reply to Lambert on issues

Marcel Lambert, M.P. speaking to students at Father Jan School last Friday. Mr. Lambert talked to the students in an informal atmosphere on the Canadian flag and the Canadian system of government. He also told them what St. Albert was like when he was about the age of the students. The school will receive a flag which Mr. Lambert had planned on presenting, but his luggage had been delayed.

ues facing governments.

Mr. Lambert sent out 43,500 questionnaires and received 5,000 replies - just under 11.5 per cent and many of the constituents took time to expand their thinking on the subjects with letters of some length to their M.P. 54 per cent felt that price, rent and dividend controls are an effective means to fight inflation, 37 per cent said no and nine per cent had no opinion.

On the matter of foreign investment, a whopping 62 per cent of those polled said Canada requires continuing foreign investment, 31 per cent said no and six per cent offered no opinion.

50 per cent of those replying thought there had been no improvement in the administration of the Unemployment Insurance Comm-

ission since 1972; 24 per cent thought it was improved and 26 per cent offered no opinion.

Response was rather evenly divided on the question "Should There be Abortion on Demand?" - 48 per cent said yes and 43 per cent said no, with no opinion expressed by nine per cent.

40 per cent of respondents thought environmental protection should be a provincial responsibility, 33 per cent felt it should be a federal responsibility and four per cent had no opinion.

Mr. Lambert hopes to open a constituency office for Edmonton West, which includes St. Albert, soon, within the guidelines recently announced by the Speaker of the House of Commons in Ottawa.

## Ski Club plans Sunday outings

On Sunday, March 24, the St. Albert Nordic Ski Club had what was perhaps the most enjoyable outing to date. Twenty-five club members travelled out to the Loomis acreage on the south shore of Sandy Lake. After waxing they set out on a seven mile tour of the hills bordering the lake. They skied through some truly magnificent countryside and during the course of the afternoon saw a herd of deer, many different kinds of birds and a variety of small animals. At the end of the tour they were treated to a much appreciated meal of homemade baked beans and roast goose provided by Mr. Loomis. Everyone agreed it had been a wonderful day's outing. Thanks go to John and Joan Loomis for organizing the day's activities.

On Friday, March 29, the club is holding its first annual family supper at the Legion Hall. This will be preceded by sports and

games on skis at the Lions Park at 5 o'clock. After the supper there will be a showing of the film "Prairie Springtime."

## Local boys excell in age class event

Two St. Albert boys won three gold medals each at the Alberta Age Class Championships held Saturday at the Kinsmen Field House. Kevin McKendry was awarded his gold medals for the shot-put, on a throw of 46.98 feet, and as a member on the 4 x 200 and the 4 x 400 relays.

Sean Kehoe had a terrific

time of 23.6 seconds on the 200 metre sprint and won gold medals also for the 50 metre sprint, time 6.1 seconds and as a member on the 4 x 200 relay. Both boys are members of the Olympic Track and Field Club, both are 15 years and competed in the midget division and, oddly enough both boys are Irish.

Kevin's younger brother also won a gold medal in the bantam division as a member of the 4 x 200 relay.

The Age Class Championships are open and athletes entered from throughout the province and some from Kallispell. Due to weather conditions the Saskatchewan competitors were unable to make it this year.

# Morinville Credit Union reports record year

Members of Caisse Populaire de Morinville Savings and Credit Union Ltd. outdid themselves this year as they put on a banquet and dance with their 34th annual meeting which attracted almost 300 people.

President Dave Bokenfohr reported another record breaking year for the Credit Union.

The assets as at December 31, 1973 totalled \$2,128,874, an increase over the previous year of \$637,000.00. Total membership at the end of the year was 1,337, an increase over the previous year of 225.

In view of the Good year the Credit Union had for 1973 a 6% Dividend was declared on all Share Savings accounts for 1973. The president mentioned that the Credit Union was also paying 3% P.A. on 1 year Term Deposit accounts at the present time.

Out of town guests included Julie Michniuk, Edmonton Mr. and Mrs. T. H. Langvand, Edmonton; Mr. and Mrs. Al Shorten, Edmonton; Mr. Tom Symington, Edmonton; Mr. Earl Lundberg, Edmonton; Mr. and Mrs. Leo Alana, St. Albert; Mr. and Mrs. Gordon Willas, St. Albert; Mr. and Mrs. Jean Boucher, Edmonton; Mr. and Mrs. Marcel Dube, Legal; Mr. and Mrs. Fred Zilinski, Legal; Mr. and Mrs. Norman Charrois, Legal; and Mr. and Mrs. Roger Rempeit, Legal.

Mr. J. L. Rousseau gave the Credit Committee report and Mr. Earl Lundberg from the firm of Quilliam, Stuart and Co., Chartered Accountants, read the financial report.

Guest speakers included: Mr. T. H. Langvand, Department of Agriculture Credit Union Branch, Mr. Al Shorten, Credit Union Federation of Alberta, Mr. Ferd Zilinski, vice president, Legal Savings and Credit Union Ltd., Mr. Leo Alain manager, St. Albert Savings and Credit Union Ltd.

The manager, Maurice Perras, in his report thanked everyone for coming, and stated that as at February 28 1974, 42 new members (January and February) joined the Credit Union for a new total membership of 1,379 members.

He also stated the assets in January and February increased by \$103,000.00, for a new total of \$2,232,000.00.

Mr. Perras thanked the Board of Directors for their efforts and co-operation for 1973, and past years.

The manager then introduced his staff: Gaby Morin, Irma Bulger, Gloria DeRuderd, Nancy VanBrabant, and stated that he had a very capable and efficient staff.

Elections were held and two new officers were elected to the Board of Directors: Mr. Leon Schayes, and Mr. Leo DeTonnancour.

The members of the Board now stand as follows: Dave Bokenfohr, president; J. L. Rousseau, vice-president; directors - J. Andre Sabourin, Clarence Steffes, Norm Meunier, Leon Schayes, and Leo DeTonnancour.

Henry Chalfoux was declared elected by acclamation on the Supervisory Committee. The other two members are Mr. Ralph Gaetz and Mr. Bernard Krawchuk. The Credit Committee is appointed by the Board.

The two lucky winners for the two door prizes were Mr. Romuald DeTonnancour, Morinville and Mrs. Marie Charrois, Legal.

The president thanked everyone for their attendance and the meeting adjourned, and the evening concluded with a dance and refreshments, when it disappeared as though a good time was had by all.

# MORINVILLE MEMOS

"Mothers Get Beal!" -- doesn't that make a good headline? Actually what happened was that the Mothers were not in shape! On Tuesday the 19th, Leonard Lavole's "Shaversone" hockey team played their second game against the "Mothers" and won with a score of 8-7. Either the young lads, ranging in age from 5 - 7 years, had really been practicing or it was the fact that the Mothers only had a total of seven players. The first game (played in Feb.) saw the Mothers win out with a final score of 2 - 6, so it has been rumored that they felt pretty sure of themselves for this last game. Congratulations to Leonard Lavole for arranging two fine games that made hockey 'fun for the whole family.'

The Senior Citizens St. Patrick's Day party was another big success, with a good turnout. Whist and card bingo were played with winners as follows: Ladies' First - Margaret Rousseau; Men's First - Hector Bolsonnault; Booby Prizes - Mrs. H. Bolsonnault, and Sid Weiss, Door Prize - Chris Vranas. The group edged a delicious lunch following the cards.

Guides and Brownies in Morinville are asking for YOUR support. Their spring rummage sale is coming up on April 23 and so far no donations of rummage have been received. Please, please, can you go through your closets right now and find some articles to donate? You are asked to drop off your donations at Jo Anderson's house as soon as possible. Call Jo at 256-3280 if you need directions.

Are you interested in joining an "Afternoon Yoga Class"? The S.R.R.C. is organizing such a class to begin the week after Easter, and are taking registrations now! There will also be a Tiny-Tot program (babysitting) included, so no need to worry about your little one. Please call Mrs. Eve Coulombe at 256-3625 and get your name on the list. Registrations are limited!

Sorry to have had the wrong dates last week! The Lions Spring Training Conference and 25th Anniversary is being held - this weekend - MARCH 30 and 31.

The Learn to Golf lessons begin tomorrow, March 29. You can obtain more information by calling 256-3322.

Morinville bantams are travelling to Manning, Alta., this weekend for a special hockey tournament being held March 30 and 31.

The Morinville Cubs and Scouts will be holding a Peanut Drive on Monday, April 1 from 7 - 9 p.m. The boys will be in uniform so please assist them by buying the "Cubs and Scouts Peanuts."

As well, they will be holding a bake sale in the IGA on April 6. Baked goods will go on sale at 10 a.m.

Morinville Board of Trade will have Mr. Ernie Jamison, MLA as their guest speaker at the regular supper meeting Monday, April 1. Supper will be served at 7 p.m. sharp!

Details of the Minor Hockey banquet, and awards night will appear in next week's issue.

See you all at the Rec Fest '74.

## Morinville Library News

By J. R. Clark

Starting on Monday, March 25, the library has an exhibition on loan from the Provincial Museum of 'Dolls and Toys'. The exhibition will be in the library for one month. At the time of writing I cannot give any further details until after the exhibits arrive, but I am sure they will be well worth a visit to the library

to see them.

Another whisper from the future is that there will be a coffee party at the library Friday evening (7 p.m. to 10 p.m.) May 3. The Library Board hope this will be of special benefit to all the newcomers to our town to become acquainted with our renovated library. Oldtimers and children all are welcome.

GRAND PRIZE DRAW -- A BEAUTIFUL RECLINER  
CHAIR IN OLIVE GREEN NAUGAHYDE LEATHERETTE

WE HOPE TO SEE YOU THERE

RACHEL - will be responsible for all unpacking and  
for keeping the shelves well stocked.

## 'The Image'

The new management will be trying very hard to  
make Macleods a true "Family Shopping Centre."

They have been ordering heavily in order to make  
your shopping stop at Macleods as complete as possible.

Hardware will be emphasized, but they will also  
carry a good selection of Men's, Infant's, Toddler's,  
and Children's Clothing. The Ladies are not forgotten  
however, for there will be a selection of Sportswear  
and Undergarments as well as all household needs...  
(kitchen, sewing, health and beauty aids).

HENRY - will be acting as manager as well as taking  
care of the entire hardware department.

## 'About the Staff'

The Macleod's Family Shopping Centre has been  
taken over by Don and Doris Found and Henry and  
Lorraine Lamoureux, as of February 5, 1974.

Don Found who has been the owner/operator of  
Don's Electric for the past 10 years will remain a  
silent partner in this venture for the present.

Henry Lamoureux will be the manager of the Macleod's  
Store, assisted by Doris, Lorraine and Rachel Bouvier.  
Henry lived in Morinville from 1960 to 1964, and was  
worked as a mechanic at Dominion Tractortown for the  
past 10 years.

Doris (nee Patry) has lived in Morinville all her  
life, and has been teaching at G. P. Vanier High School  
for the past nine years.

Lorraine (nee Houle) grew up in Morinville and has  
been working in Edmonton for the past 10 years.

Rachel Bouvier (nee Labonte) has been with Macleod's  
since August 1973 and will continue on staff. Rachel has  
been a resident of Morinville all her life.

COME IN AND MEET THE STAFF who will always  
be available to assist you with your purchases.

LORRAINE - will be acting as bookkeeper and assistant  
cashier.

DORIS - will be acting as cashier and assistant book-  
keeper.

## 'Renovations'

A great deal of hard work is being put into making this  
GRAND OPENING something special.

Much of the store is being painted, and a new Custo-  
mer and Service Desk as well as a Check-Out Counter  
have been set up at the front of the store.

The new Macleod's colors of RED AND WHITE will  
be emphasized throughout the store. The management  
are hoping that their new sign will have arrived for  
the three day Grand Opening, to brighten the face of the  
building.

In the plans for the complete renovations, a section  
will be devoted solely to Footwear, in particular - Men's  
and Children's Footwear. The Sports Department will  
certainly attract campers, fishermen, hunters and  
cyclists. And for the horsemen in the crowd, - a  
complete Tack Shop!

Eventually, all departments will be visibly labelled  
in order to aid the customer in finding exactly what  
he wants, with a minimum of fuss.

Another department which will be set up during the  
renovations is a "Sight and Sound Centre." Many  
radios, televisions, and stereos will be brought in, as  
well as more records and eight track tapes. In addition  
to this, a complete line of WESTINGHOUSE Major  
Appliances will be carried. Hopefully these will be on  
display for the Grand Opening.

If you would like to see what the future will bring to  
the Macleods "Family Shopping Centre," a floor plan  
will be on display. Far and distant plans include either  
expansion or complete new facilities.

The renovations mentioned will definitely be taking  
place over the next few months. In advance, the  
management would like to apologize to their customers  
for the inconvenience caused during this time. With  
everyone's patience and co-operation, the completions  
of the renovations will be a more immediate success.

## Tax Tips Column

For further information, call the District Taxation Office. If you live in a toll area, ask your long-distance operator for ZENITH-0-4000 and your call will be placed without charge.

Q. I am now receiving pension payments from the Canada Pension Plan. Is the money I receive taxable, and should I include it when I report my income?

A. Yes, the income you are now receiving from the Canada Pension Plan is taxable and should be reported on your income tax return.

Q. My wife and I were married in September. She was working before marriage but has not worked since. Can I claim the full married exemption of \$1,400 for her? What does she do about filing a return?

A. If she received no income after your marriage, you may claim the full married exemption of \$1,400. Otherwise,

calculate your exemption taking into account only the income she received after your marriage. If you wife is taxable or had tax deducted from her salary, she must file her own return.

Q. My nephew, aged 15, came to live with me last year when his parents were killed in an auto accident. Although I have not been appointed as his legal guardian, and no papers have been signed, he is totally dependent on me. Can I claim him as a dependant on my income tax form?

A. Yes. The fact that you have not been appointed his legal guardian would not bar you from claiming your nephew as a dependant if he otherwise qualified.

Q. Last year my wife and I decided to assist a child who lives in another country. We send regular payments for this child to receive food,

clothing and education under a foster parents plan. We have not adopted this youngster, but I am wondering if I claim the child as a dependant on my income tax return, or claim the money I send to her as a charitable donation?

A. You may not claim the child as a dependant as you did not have custody or control over the youngster. However, payments made in

the year to the Foster Parents Plan of Canada are eligible for deduction as charitable donations when supported by proper receipts.

Q. We had a baby last year who only lived a few hours. Can we make any tax claim for her?

A. Yes, if a child is born in the year and lives, you may claim the child as a dependant for a \$300 exemption.

tion. Q. I have been claiming my children as exemptions on my tax return. Can my wife claim the medical expenses paid on their behalf, on her tax return?

A. Medical expenses can be allowed only to the person who claims the dependant for the year when the expense was incurred.

Q. As an employer, I made the proper deductions for income tax, Canada Pension

Plan and Unemployment Insurance, but I misplaced my remittance form PD7A. How should I make my remittance for the deductions?

A. Your remittance should be forwarded to the Taxation Data Centre, Ottawa, with your employer's number outlining the pay period covered and the breakdown of the applicable deductions.

MR. & MRS. WATERHOUSE

# Waterhouse - Yeske Wedding

By Norma Crozier

Norwood United Church in Edmonton was the setting for the afternoon candlelight ceremony uniting in marriage Debby Jennifer Helen Yeske, oldest daughter of Mr. and Mrs. Arthur Yeske and Vernon George Waterhouse, son of Mr. and Mrs. Reg Waterhouse of Naino. Reverend Harold Black officiated.

Entering the church on the arm of her father the bride was radiant in her gown of shiraz, styled with high neck, full sleeves and an empire waist, trimmed with tiny sequins. Her gown was complemented by her full length train, bordered with lace. She carried a cascade bouquet of burgundy roses, stephanotis and pink ribbon.

The bride's attendants were, maid of honor, her cousin, Theresa Atkey, bridesmaids, Joan Waterhouse, sister of the groom and Jacquie Walton. They

were identical gowns of royal blue velvet with empire waists and bell sleeves complemented by white neckties and earrings, a gift of the bride. They carried bouquets of white carnations, baby's breath and pink ribbon. Flower girl, Charlene Gourlay, cousin of the bride, was also in blue velvet and carried a basket of matching flowers. Billy Gourlay, cousin of the bride acted as ring bearer.

The groom accented his grey tuxedo with a red rose boutonniere. His best men, dressed in black tuxedos were Rodney Otto, Gary Gauthier and Adolph Yeske, uncle of the bride.

The bride's mother wore a pale blue floor length gown of tulle crepe accented by white accessories. Her corsage was of red roses and baby's breath. Mother of the groom wore a mauve polyester gown with silver accessories and a corsage of white roses.

During the ceremony Miss June Borle sang "We've Only Just Begun" and "Let It Be Me." Ushers were Max Yeske, uncle of the bride and Glen Mack, brother-in-law of the groom.

A reception and dance was held in the Naino School Auditorium with Colin Carter acting as master of ceremonies for the evening. Max Yeske, uncle of the bride, proposed a toast to the bride answered by the groom. Rodney Otto proposed a toast to the bridesmaids. Angel Yeske, sister of the bride, was in charge of the bride book for the evening.

For a honeymoon trip to Hawaii, the bride wore a

pale blue crepe pantsuit with a corsage of red roses. On their return the happy couple will reside in Edmonton.

Attending the wedding were the sets of grandparents, Mr. and Mrs. Wm. Samorindy, Mr. and Mrs. Edward Yeske and Mr. and Mrs. Wm. Fraser. Out of town guests were, Mr. and Mrs. Stanley Whiteside, Burnaby, B.C., Brent Iley, Armstrong, B.C., Mr. and Mrs. Wm. Fraser, Kelowna, B.C., Mrs. Elsie Mar, Vancouver, B.C., Miss Freda Yeske, Vancouver, B.C., Mr. and Mrs. Barry Ford, Calgary, Mr. and Mrs. Roy Waterhouse, Abbotsford, B.C.

SUCCESSFUL AUCTION SALES DON'T JUST HAPPEN!

# FROM PARLIAMENT HILL

By Stan Schellenberger,  
M. P. Wetaskiwin

Government is by far the biggest business in Canada and its growth is phenomenal - the latest evidence being the 29 per cent jump in federal spending this fiscal year (April 1, 1973 - March 31, 1974) as Ottawa tries to spend its way out of inflation.

In terms of employees the federal public service has grown beyond the half million mark. About 300,000 work for the public service itself. Another 82,000 are with the Canadian Forces. More than 14,000 are in the RCMP and more than 24,000

others are in the employ of unlisted federal "agencies."

Not included in these "agencies" are the thousands of others on the federal payroll with the CNR, the CBC and other Crown Corporations.

It is always fascinating to see when studying the government's Main Estimates which departments have come off best in the annual and apparently bloodless struggle with the federal Treasury Board.

The best performer by far this year is National Health and Welfare, which is to spend \$6.9 billion, in other words, about 31 per cent of the Budget.

Constituency of Wetaskiwin residents might imagine that based on the postal service they have received in the recent past, that the Post Office has been economizing. However, this is not the case. The Post Office has asked for and received an additional \$109.9 million for 1974-75 which is better than last year when it was able to increase its estimate by only 84 million.

There may also be an impression that with the splendid advance of automation, fewer hands are required for postal work. Not true. The Main Estimates indicate that total man-years authorized in the Post Office have advanced steadily from 39,977 in 1972-73 to 54,218 in 1974-75.

The steady expansion of federal government manpower is conveniently tabulated in the estimates; in 1972-73 total man-years authorized were 299,727; for 1974-75 the figure is 333,003.

The central difficulty with the Main Estimates is that they do not in reality tell us what the government intends to spend in 1974-75. Since we do not know the total (which may not even be known at this point by the Ministers themselves) we must be content to wait for the Supplementary Estimates which follow from time to time throughout the year.

Based on the Main Estimates, spending this coming fiscal year may run to 24 billion dollars. This indicates not less than a 3.5% increase in the last three years.

To meet these vast expenditures, the government must depend on the ever-reliable taxpayer. It seems unfair that he is not permitted to know what is expected of him, even to the nearest billion.

## CWL convention goes April 2nd

Members of the Catholic Women's League of Canada, you are invited to attend the 18th Annual Convention of the St. Paul Diocesan CWL to be held in the Community Hall at Atmore, Alberta, April 2, 1974.

The Board of Directors were delighted with the support of the district in selling all the tickets and turning out over 500 strong for the smorgasbord and dance held Friday night in Onoway Community Hall.

## Ag Society car raffle scores huge success

The car raffle held last Friday in Onoway by the West Sturgeon Agricultural Society was such a huge success that it will no doubt become an annual event. The hard working group from Calahoo and nearby residents sold all 300 tickets on a 1974 Datsun from David Datsun in St. Albert.

The car was won by Leonard and Joan Grierson of Onoway who had been in attendance but left for home before the final ticket was drawn. After a telephone call

Mr. Grierson was finally convinced he was the big winner and arrived back soon after to receive the keys from Mr. Stan Walker, president of the Society.

Eleven other ticket holders also got back their original investment of \$25.00, while Mr. William S. Wood also of Onoway took home \$50.00 for holding the second last ticket holder.

Master of ceremonies Larry Mitchell along with Mr. Walker, Irvin Rothwell and Bernie Ross ran off the draw while the huge

crowd were enjoying an excellent smorgasbord meal put on by the Society. Dancing followed and a good time was had by all.

Lucky winners of \$25 were E. Banting, Onoway; Gerald MacDonald, Calahoo; Rudy Brinsky, Calahoo; Larry Frigon, Picardville; Lawrence Truckey, Onoway; Lloyd Majeau, St. Albert; E. Zilmer, Edmonton; Steve and Linda Cerny, Onoway; Bill and Ethyl Letke, Wintburn; Jack D'hoedt, Stony Plain; Arvilla Majeau, Calahoo; Bernie Ross, Calahoo.

## Cattlemen across Canada protest Federal Subsidy

Cattlemen have reaffirmed their opposition to the subsidy on beef cattle at a meeting held in Calgary.

The Western Stock Growers' Association called the cattlemen together to discuss the confusion and chaos that the announced subsidy has caused within the industry.

Cattlemen Associations from British Columbia in the West to Ontario in the East unanimously protest the seven cent a pound subsidy paid for grade A quality cattle.

The cattlemen pointed out strongly that the subsidy would not solve the problem. They were very emphatic that it was not really a subsidy to the producer, but was a subsidy to the consumer. The subsidy route was chosen by the government without consultation with the industry to prevent any price increase to the consumer. Many consumers do not realize that they pay for it twice, by taxes and the added cost of administration of a subsidy, say the cattlemen.

The cattle producers, with the support of other segments of the industry asked further that until the subsidy is taken off, that it be removed from the market place and the producer apply directly to the Federal Government for it.

The cattlemen argued that

the subsidy be phased out and replaced with a fair quota and tariff arrangement to regulate the export and import of cattle. The present depressed price is a result of large importation of American cattle. The subsidy does not attempt in any way to regulate this flow of imports. A fair and reciprocal arrangement similar to what Canadian cattle face entering the U.S. would move toward solving the problem.

Once a subsidy is accepted, the industry will never be in a true profit and cost situation. With the profit incentive of a supply and demand market removed by the artificial interference of a subsidy, the primary producer has nothing to work

for. The cow-calf producer is the source of beef, with the incentive gone, so goes the source of beef.

Cattlemen associations attending the meeting included the Western Stock Growers' Association, Alberta Cattle Feeders Association, Canadian Cattlemen's Association, Saskatchewan Stock Growers Association, British Columbia Cattlemen's Association, Manitoba Beef Growers Association, Ontario Beef Improvement Association, Beef Committee of Unifarm, Alberta Dairy-men's Association, Alberta Cattle Commission. Also present were members of the Federal and Provincial Government and representatives of the marketing firms.

# Morinville Lions look back over the last 25 years

# Outstanding guest to speak at Lions spring conference

By Flo McGinnis

It was in May, 1949 that the Morinville Lions Club received their Charter, after being sponsored by the Edmonton Host Lions Club. The charter members - 20 in all, were: Harve Bourbonnais, Art Chalifoux, Edgar Chevalier, Ubald Chevalier, Jim Falls, Pete Gibeault, Joffre Kremer, Clarence Krauskopf, Joseph Kruckopf, Wilfred Labonte, Father Merchant, Mortie Mulner, Raymond McDonald, Leo Pelletier, Alex Ried, Raymond Robert; Harvey St. Onge, Larry Shea, Art Soetaert, John Stevens.

Alex Ried became the first president and over the years

two District Governors (Walter Elliot and Art Stapleton), and two Zone Chairmen (Garnet Wiley and Art Stapleton) have come from the membership of the Morinville Lions Club.

It is interesting to note that there are still two very active Charter members - Pete Gibeault and John Stevens.

Now, in 1974, there are 29 members and the club is continually active in the community.

Over the years there have been two father-son combinations in the membership. Pete Gibeault and son Leonard, as well as Garnet Wiley with son David are active

members, all holding key positions in the club.

There have been two Lions that served as president twice - Frank Brenneis and Pete Gibeault.

The very first project undertaken by the Morinville Lions was at Sandy Lake, where they cleaned up and laid out the beach. The equipment (swings etc.) that they installed is still there, and in use, after almost 25 years. For some 15 years, the Lions held a family/community picnic three times a year at Sandy Lake, May 24, July 1 and a corn roast in late August. Now for the past five years they have been holding a similar type 'barbecue' each fall. So the club does continue to sponsor one big "community gathering" every year.

For a number of years the Lions sponsored - a Car-Rodeo (in conjunction with the Dept. of Highways); Army Cadets and Air Cadets (in conjunction with the DND); baseball etc.

Many, many hearing aids and eyeglasses were bought for those who could not afford them, and for 20 years Christmas food hampers were given out. With the exception of social assistance, this was discontinued. However the Lions are always ready to assist fire victims or other families in similar distress. Collecting used eyeglasses for underprivileged countries around the world, and providing financial assistance to the Blind Golfers Association are two projects that continue to be a yearly project.

Directly within the community, the Lions have, over the years, given financially as well as labor-wise to a number of large projects. Included here would be the arena, the playground equipment, building of the rifle range, the Senior Citizens Rendezvous Club, the small park near the Arena (Lions Park), and Heritage Lake (Mammoth Lake).

When Frontier Dase first began the Lions were always in charge of Place Pigalle, as well as being one of the main labor forces who assist with various booths. This of course is still a yearly endeavor, and the Lions are always out in full force.

Local programs and activities that the local Lions sponsor include: Boy Scouts, Red Cross Blood Donor Clinics (as well as canvassing), a bantam hockey team, the Lions Figure Skating Club, an adult, as well as a Junior rifle club, and canvassing for the Winifred Stewart School, to name only part of the list.

During their 25 years the Morinville Lions Club has sponsored four new clubs. First came the St. Albert Host Club, then the Clyde Lions Club, followed by the club in Slave Lake, and finally the Westlock Lions Club in 1971.

So when the Morinville Lions gather on Saturday, March 30 with their families, friends, and fellow Lions

Ebb Grindstaff will be the special guest speaker addressing the delegates to the Lions Spring Training Conference being held in Morinville, March 30 and 31.

Everett J. (Ebb) Grindstaff of Ballinger, Texas was elected to his two-year term as a member of the Lions International Board of Directors at the service club organizations 1972 Annual Convention in Mexico City, Mexico.

Director Grindstaff is an attorney, receiving his LL.B. Degree from Baylor University. He is a director of the State Bar of Texas.

Lion Grindstaff has provided leadership in many community programs. He is a past president of both the Ballinger Chamber of Commerce and the Ballinger Carnegie Library and is now chairman of the Upper Colorado River Authority. He is also president of Industrial Development, Inc. of Ballinger. Director Grindstaff has served as District Commissioner for the Concho Valley Council, Boy Scouts of America, and was state chairman of the Public Affairs Committee of Texas Jaycees.

Director Grindstaff's work on behalf of Lionsism has been extensive. He has held most major offices in his club and served as a District Governor in 1964-65 as had his father, E. C. Grindstaff in 1946-47. He is a life member of the Texas Lions League for Crippled Children and was president of the Texas Lions Camp for Crippled Children from 1969 to 1971.

He is a United States Army veteran, serving in the Counter-Intelligence Corps.

Director Grindstaff and his wife, Jeanette, have two children: Jeff, 17 and Michelle, 14.

they will certainly have a number of wonderful memories to discuss and a full 25 years of community work to be proud of.

MOSQUITOES IN MARCH?

Liz McLeod reports from Calahoo that three university students, entomologists are digging through the deep snow just east of Kris Dahlheim's place on the Harry Gooding acreage, burrowing into a rock pile in search of mosquitoes: in their study of the habits of mosquitoes, with a view to mosquito control. The three men have to use snowshoes to get to the site from the road.

Everett J. (Ebb) Grindstaff of Ballinger, Texas, will be guest speaker at the Lions Spring Training Conference being held this year in Morinville, where the Morinville Lions are celebrating their 25th anniversary.

## St. Jeans Silver Anniversary

By Lucienne Montpetit  
The children of Mr. and Mrs. Raoul St. Jean celebrated their 25th wedding anniversary on Feb. 22 at the Recreation Centre.

Mrs. St. Jean was very charming in her hot pink polyester gown complimented by a corsage of white roses. They were accompanied by Mr. and Mrs. Tony Lestor of Slave Lake.

Master of ceremonies was Mr. Gerald St. Jean (brother) and he called upon Maurice St. Jean to present a toast to the couple.

Mr. and Mrs. St. Jean were married on Feb. 22, 1949 in the army hangar that was moved and built by Father Berthe and Father Primeau. This marriage was one of the few held in that church before it was destroyed by fire. The premises included a church and parish hall under the same roof and the building was located where the Recreation Centre is today.

The couple took up residence in Legal and Raoul

has been employed by the village since 1949.

These 25 silver years have blessed them with eight children and seven grandchildren. Mrs. Gordon (Giberte) Carlson, Mrs. Vorn (Rachelle) Domsy, Edmonton; Mrs. Roland (Colette) Bloudeau, Mrs. Allan (Denise) Swanson, Fort McMurray; Therese, Pauline, Marie and Albert at home. They presented their par-

ents with a lovely set of dishes with the red rose design and two silver goblets. They also received many beautiful gifts from their guests.

The couple thanked everyone for attending, and for their best wishes and gifts. Congratulations to the honored couple and we wish you many more years of health and happiness together.

## Locals from Legal

By Lucienne Montpetit  
Mayor Joseph Nault has declared April 1 - 7 as "Recreation Festival Week" in the Village of Legal.

Congratulations to Miss Marjolaine Chamberland who was chosen to represent our region as a candidate for Mile Cabane a \$6 prize on April 27 in Edmonton. Marjolaine was chosen at the ACFA meeting held in Vimy last week. Marjolaine is the daughter of Mr. and Mrs. Bruno Chamberland. Good luck Marjolaine in the finals.

Returning from Hawaii are Mr. and Mrs. Hervé St. Onge accompanied by Mr. and Mrs. Roland Ricard from Morinville and Jean-Charles Bauchard from Edmonton. Mr. and Mrs. Walter Van de Walle and Mr. and Mrs. Leo de Champlain really enjoyed their trip to Las Vegas last week.

Mr. Leon Prefontaine's children and grandchildren gathered at the Chateau on March 24 to celebrate his 78th birthday. May God keep you for many years to come with continued health.

The CWL ladies will have a bake sale at the Legal Co-op on March 30. Proceeds are for Development and Peace. Your donations will be greatly appreciated.

Some 60 friends and relatives gathered at the home of Mr. and Mrs. Roger Gagne for a surprise housewarming party. A purse was presented to them on behalf of all the guests. Mrs. Gagne said she would purchase a recliner as a souvenir of that special evening. The couple thanked everyone especially Mrs. Pauline Morin and Mrs. Rachelle Regimbald for organizing the party.

Bake sale at the Legal Co-op on Saturday April 6 sponsored by the Ukrainian Catholic ladies of Legal.

The Appreciation Night banquet and dance for the hockey players and the ladies that worked at the Arena will be held on March 30 at the Community Hall. You can purchase your tickets at \$6 per couple from Citadel Mot-

ors, or from Omer Pelletier and Claude Maurier.

The annual meeting of the Legal and District Community Centre will be held on April 1 at 8 p.m. Everyone is urged to attend because there will be discussion on the proposed new building, also election of officers.

Mr. and Mrs. Roland Tieutle, Bill Bokenfohr from Picardville, Mrs. George Schayes and Mrs. Eddy Vine from Morinville went to Vancouver and Victoria on the Alberta Wheat Pool tour. Streakers are on parade throughout the country com-

ments Roland, he said one surprised the tourists on the ferry going to Victoria.

Come and win your Easter ham at the bingo held at Half Moon Lake Hall on March 30. This bingo is sponsored by St. Mary's Ukrainian Catholic Church, Waugh.

The Knights of Columbus and their wives are invited to a breakfast at the Recreation Centre on March 31 at 11:30. The guest of honor will be Bishop Roy, this will give you the opportunity to meet and talk with your Bishop.

## Bishop will open retreat in Legal

On March 30 and 31, Bishop Raymond Roy will be in Legal to open the retreat. The opening will take place in St. Emile's Church, at 7:30 p.m. Saturday, 8:30 a.m. and 10:30 a.m. Sunday. The exercises will be held in the gymnasium of St. Emile School, commencing at 8 p.m. The French retreat will be held on March 31, April 1 and 2. The English retreat will be held on April 3, 4 and 5. Students will have their retreat during the day, and the people of the Chateau at 3:45 p.m. The following is a copy of a letter the Bishop wrote to all the people of Legal.

"Dear friend and Christian, I will be in your midst at Legal conducting the parochial retreat on March 30-31 April 1 - 5 next. By this letter, I wish to extend to you and yours, my cordial invitation to be present for these moments of reflection and prayer towards an interior renewal and a sincere conversion to God. The Holy Year invites us specifically to this renewal. Thus for you and for all the parish, this retreat will be the chosen moment to launch into this conversion. Till we meet shortly, I exhort you to pray God to bless our spiritual project and to sanctify it through his Divine Son.

Your devoted servant, Raymond Roy, Bishop of St. Paul, Alta.

You don't have to be a Catholic to attend. Everyone is urged to come and attend, so do come and help make a success of OUR retreat.

PROGRAM FOR RETREAT  
Opening by Bishop Raymond Roy in Church - March 30 - 7:30 p.m., March 31 - 8:30 a.m. and 10:30 a.m.  
Retreat Exercises in the Gym of St. Emile School: April 3 - 8 p.m. (Gym) and 9 p.m. April 4 - 8 p.m. (gym) and in Church - 9 p.m. (Celebration of Penance). April 5 - 8 p.m. (Gym) and in Church 9 p.m. (Celebration of Eucharist).

## Goldenagers enjoy visitors

By Liz McLeod

The bright sunshine of a lovely day added to the happiness of the 36 senior citizens who attended the regular bi-monthly gathering of Calahoo's Goldenagers Club on Feb. 27 in the Church basement.

The afternoon was spent enjoying card games after which all joined in playing bingo for a spell before the always delicious lunch is served.

This day was extra special since we had as our visitor, Mr. Neil Parker of the MD of Sturgeon Recreation Dept. who enlightened the group on Rec. Fest '74 of which he is co-ordinator. Pins were passed out to help remind folks of April 5 - 6 and 7, which is the date of this hopefully gala event.

event.

Mr. Parker would like any and all who plan to attend and participate in Rec Fest to fill in the brochure and mail it back to -- Rec Fest '74, 9601 - 100 Street, Morinville as soon as possible.

In keeping with senior citizens, there is a matter that the Calahoo WI group would hope the many oldtimers of Calahoo and district would consider. That is to please write-up your history and send it to your reporter, Mrs. P. McLeod, R.R. 1, Calahoo, very soon because the WI would like to get the history finished and have the books printed.

After that last terrible snow and blow came, the March 13 meeting of the Goldenagers was postponed to March 20, in the Gazebo this time, where 40 happy

Live and learn seems to be the order of the day nowadays so with this in mind Pat Doerksen district home economist of MD of Sturgeon organized a "Consumer Education and Home Management Course" presently being held in Mearns Community Hall from March 18 through 29.

Mrs. Shelia Brown a district home economist (who will be joining her husband in Hay River soon) is heading this course since Pat is so busy, but Pat also lectures on certain days.

Mrs. Helen Newman also a district home economist will head certain days and other speakers - Allan H. Ball, Can-Farm expert from Stony Plain helped many on Tuesday the 19th with this type of bookkeeping.

Wednesday the 20th Wally Klatt, district agriculturist for MD of Sturgeon spoke on loans and landscaping with the afternoon session taken up by information on wills and estates by Laurier E. Jule, from Canada Permanent Trust Co.

A most interesting course thus far. Mary Quaghebeur,

folks got together for the afternoon of cards, music and fun.

Three new members joined, Mr. and Mrs. Carlson from Yellowstone near Gunn Alberta, and Mrs. Westlund from Onoway.

Mr. and Mrs. Oscar Campeau brought their fine neighbors along as visitors and Vic and Betty Albrecht

also made it as did Mrs. Margaret Douglas. It was nice to have Mr. Frank Gawron from Calahoo join in the fun as well.

Vic played his violin so there was fun dancing and listening to the music.

Dina Groppe brought a birthday cake as Clara Loyer Hector Boddez and Dina had happy birthday sung to them.

Lillian Coursaux, Jean Enderton, Edna Mercier, Bev Arlow, Louise Wulff, Theresa Sparling, Tillie Lehman, Susie Kluthe, Kathy Trautman, Norma Clark, Mary DeRudder, Laurette Bugnet, Alice Falls, Marge Kluthe, Rita Crozier, Yvonne Kluthe, Janice Krywko, Jeanne Bliodeau, Emma Schafers, Grace Brennels, Laura Keiser, Betty Kaup, Madeline Brown and Liz McLeod are attending.

### HAPPY HOMECOMING FOR SHARON AND BERNIE

The long-awaited hour arrived around dinner time March 1 when Sharon McLeod, her fiancée Bernie McKinnon and his sister Loretta Lynne (Lori) Moore arrived home to the Peter McLeod's, to be joined by Doug, Lillian and Cameron McLeod, Rudy Harold and Nancy Christen, Norman and Hilda Gibbs, Bertha Chapman and Joseph Freitag.

Since it was also Sharon's birthday after the evening meal, a decorated, candlelit

cake was set before her and happy birthday was sung to her. The remainder of the evening was spent by visiting and Marcel and Theresa Kerckhof and Melina Paquette also came to join us in the welcome home party.

Saturday night a party was planned by brother Doug and Lillian at their home in Spruce Grove and here it was a real get together for school chums and neighbors for John and Johanna Borle, Gordon and Gertie Bergstreiser, Arthur and Valerie Lischewski, Dennis and Linda Heickel, Rudy Christen, and Lloyd and Anita Bergstreiser, played games danced and listened to good music as well as initiating the prospective groom.

It was nice to meet and visit with Bernie's sister Janice and Bob Lotoski and four year old Gina, when they came out from Edmonton, to greet their brother and sister from Quesnel, B.C.

Lori went home with them for a couple days visit.

## Calahoo

By Liz McLeod

This community certainly hopes Ed Patrick and M. Karakonte from Calahoo are feeling fine after their stay in hospital and bout with pneumonia.

There has been a lot of colds and flu going around so here's hoping everyone stays well, presumably since spring has sprung (on the calendar at least).

Everyone who knew and loved Mrs. Rose Smith of Onoway and a Women's Institute member, were shocked by her sudden passing on March 16 at only 60 years of age. Her niece, Mrs. J. Emma Dalheim stopped to take her mother-in-law, Mrs. K. Dalheim along to the funeral on Friday, March 22 at Heatherdown United Church where her fellow WI members served lunch afterwards.

When Mrs. Alice Platz kept a scheduled appointment in Edmonton she decided to make the most of it so she got her sister Mary to join her and go visit with former school mates from their original home in Edgerton, Ches and Lois Spornitz, at their home in the afternoon. Reminiscing was the order of the day.

Pearl and Peewee Quintal were happy grandparents when their daughter, Elaine and husband Gary Majeau with daughters Joel and Jamie were home for a spell. Then they went to Osyoos,

to spend sometime at their other home.

Errol (Ticker) Quintal and his wife Marilyn have just returned from their wonderful trip to Hawaii and oh such weather to return to!

### CALAHOO HONORS BRIDE-ELECT

The sun shone brightly and there was gaiety in the air for the shower planned Sunday afternoon to honor bride-elect, Miss Sharon McLeod, Pete and Liz's daughter.

Two tone purple and mauve streamers and gaily colored pom-poms were the decorations chosen for this happy event, that saw nigh onto 70 ladies a few children and two gentlemen present, to enjoy two humorous readings by Mrs. Betty Albrecht words of welcome by Daphne Kerr and five games of bingo, before it was time for Sharon and two of her attendants Mrs. D. Lillian McLeod and Miss Lori Moore, and her mother, to start opening the many and varied lovely gifts, to be passed around for all to see.

Hats were made from the bows for the bride and her mother.

Pictures were taken also before a bounteous lunch was served by the hostesses, the Calahoo Parish Ladies and the Calahoo Women's Institute ladies.

The bride graciously thanked all present for coming and making this such a wonderful memorable occasion.

## News from Gibbons

By Ron Coley

Get well wishes are sent out to Mrs. Stella Bulger, who broke her ankle and had to spend a few days in the Fort Saskatchewan Hospital. Mrs. Bulger is home now and doing fine.

### BROWNIE NEWS

The annual winter camp for the Brownies of Gibbons was held at Coronado on the 8th to 10th of March. The camp was well attended with 20 brownies, five leaders and one helper. Activities included were - setting up camp, indoor crafts, hiking and skating; evening - songs and skits. Brownies are to be complimented on their skills which provided much laughter. On Sunday camp concluded with a "Brownies Owl" church service.

The brownies would like to thank Mrs. Hood for the use and clearing of the ice, and Mrs. Briggs for her time and donation of plants. A special thank you to the Local Association for their donations.

On Wednesday, March 20 Fly-Up ceremonies were held for Joy Schaffer, Glenda Grant and Katy Hood, and a Walk-Up ceremony for

Wendy Zuber.

Guests for the evening were Mrs. Frazer, who presented Mrs. Noel with a thank-you pin. Mrs. Pat Briggs was presented with a Resident Campers License and Mrs. Avis Hood with a Campers License pin by Mrs. Noel. The L.A. executive mothers of the girls, guides and guide leaders were present.

The guides and brownies had a sing-song, lunch was served, highlighted by a lovely cake made by Mrs. Yvonne Mabbitt. The two joined in closing ceremonies.

The brownies will be holding their annual Brownies Easter Tea and Bake Sale on April 13.

### LOCAL ASSOCIATION

An L.A. meeting was held on March 18, with only 16 mothers present. This was very disappointing, as there are 63 mothers in the movement. It is sad to see that there are so many people not interested in their children's activities.

Don Hood kindly offered to build a covered trailer for all the guide equipment. The cost will be approxi-

mately \$100. The L.A. will pay for the trailer and each mother will be requested to donate \$1. towards the cost of the lumber. Mother may leave their donations to - Treasurer, Jean Archer or President Shirley Steinwand. A paper drive has been organized for Saturday at 10 a.m. For more information phone days - Mrs. Chertnuchan at 799-9376 or Mrs. Toker at 799-9387; evenings Mrs. Archer at 799-9101 or Mrs. Smith at 799-9119.

Proceeds of the paper drive will help to send brownies, guides and rangers to camp.

Anyone interested in be-

coming a brownie or guide leader for next fall, please contact L.A. President - Shirley Steinwand at 799-9149. A special meeting will be held June 5 at 1:30 for the purpose of obtaining leaders. If there are not enough volunteers at this time, brownies and guides will not be able to continue next year. A letter will be going out to all mothers to this effect.

The Gibbons L.A. for Brownies, Guides and Rangers held a very successful tea and bake sale on March 16. Thanks to everyone for their attendance and donations.

## All Family present for Golden Wedding

A reunion of family, friends and relatives took place at Pioneer House in Fort Saskatchewan Feb. 17 in honor of Mr. and Mrs. Carl S. Johnson, on the occasion of their 50th Wedding Anniversary.

Tables were decorated with carnations, plates of dainties, candles, and three-tiered wedding cake. A wedding photo and picture of family photos adorned one wall, framed with gold and white bells

and streamers. The hum of happy conversation was accented with strains from violins and piano.

Mr. Carl S. Johnson hailed from Kensett, Iowa in 1913 to live and work with his brother, Martin, six miles north of Fort Saskatchewan on the Sturgeon Quarter. He bought his first quarter of land just across the Sturgeon River when he was 18 years old. In 1924 he married Muriel Legate who

Mrs. Martha Bellish, Waropite, Mrs. Jean Chubb, Bon Accord and Mrs. Frances Clarke of Waropite, display some of the very fine paintings that were on display at the Bon Accord Community Centre on Sunday, March 24. The best three paintings will be exhibited at the Regional Art Show at Westlock Arena on April 26, 27 and 28.

came from Caylon, Ontario in 1917. She taught school on the Prairies, also in the Gibbons locality -- in Creuzot and New Lunn School. They farmed 34 years during which time they raised six daughters; Esther Foss now from Burlington, Ont., Fay Bacon of Grande Prairie, Alberta; Phyllis Williams of Palmer, Alaska; Miriam Galloway of Fort Sask., Alberta; Sheila Thorson of Inverness, Alberta; and Shirley Kelpe of Webster Groves, Missouri. Mr. and Mrs. Johnson have 18 grandchildren and one great-granddaughter. Since 1957 they

have been enjoying retirement in Fort Saskatchewan. Having just moved to a senior citizens retirement home in Edmonton, they are looking forward to visits from their friends in the Fort and other areas.

Congratulations from Prime Minister Pierre Trudeau, Premier Lougheed, Opposition Leader Robert Stanfield, M.L.A. Dr. Walter Mack, Lieutenant Governor Grant MacEwan and Governor General Jules Lévesque from others had been received and were on display. Out-of-Province guests were from Alaska, Ontario and Missouri.

## Annual meeting

Village of Bon Accord

All members of council as well as Mr. Ken Fearnley, building inspector and Mr. Jim George, maintenance foreman and development control officer, were present for the regular meeting of Bon Accord Council on March 18.

**GRASS SEED**  
The purchase of grass seed was authorized. Part of the supply will be used on Rosglen Park and the rest will be kept on hand at the office for free distribution to residents who wish to seed their frontage area which lies outside the property line.

The first half hour was taken up with correspondence - some of the weightier items being set aside for closer scrutiny at a later date.

Two interviews were held with Mr. Don DeGrandis, planner with the Edmonton Regional Planning Commission, who came to discuss the new zoning and building bylaw. This bylaw, being Bylaw #66 of the Village of Bon Accord was given first reading. A public hearing on this bylaw will be held at the hall on April 24, 1974. This hearing will be followed by second and third readings before the bylaws final passing.

The second interview was with Mr. Don DeGrandis, planner with the Edmonton Regional Planning Commission, who came to discuss the new zoning and building bylaw. This bylaw, being Bylaw #66 of the Village of Bon Accord was given first reading. A public hearing on this bylaw will be held at the hall on April 24, 1974. This hearing will be followed by second and third readings before the bylaws final passing.

Bylaw #65 - Compulsory Pasteurization Bylaw, was

given second reading.

### CAPITAL EXPENDITURES

The Village has now received delivery of the Champion Grader authorized at the special meeting held - March 9, 1973.

It was noted that office renovations are now complete and the results are very satisfactory. However Mayor Deedman was authorized to look into the matter of land purchase for a Village office and shop site for the future.

### DECLARATIONS

Mayor Deedman declared the week of April 1 - 7, 1974 "Recreation Festival Week" and the week of May 6 - 12, "Anti Litter Week." Residents are urged to recognize both these events and become involved.

Council expressed a great deal of satisfaction with the attendance at the annual meeting and appreciate the keen interest residents are taking in village affairs. The matters of street lights and fluctuating voltage raised at the annual meeting have recently been taken up with Calgary Power. All street lights appear to be working at present and new regulators have been installed recently, which should solve the voltage problem.

The matter of extending office hours was discussed among council but no action was taken. Instead, permission was given to the staff to work one or two afternoons a week when the work load is heavy, but the office will remain closed to the public.

The next regular meeting of council will be held on April 15, 1974.

# Report from Bon Accord

By Sadie Allen

The B.A. Ladies Community Club held their March meeting at the home of Mabel Veran on Wednesday the 20th. New member, Mrs. Linda Ross was welcomed, bringing membership up to 24. Many catering jobs are in the offing. The club will operate a booth at the School Festival on April 4. Seven hundred dollars were donated to the Community Centre Ltd. Winner of the hostess prize was Mrs. Helen McKenzie.

A very good turnout of village and district residents were on hand on Wednesday, March 20 to discuss the formation of a Board of Trade. The meeting was called to order by temporary secretary Ken Melech. Hugh Allen was made temporary chairman on a motion by Mr. Elmer Brennan, seconded by Mr. Jim Long. Mayor Wm. Deedman spoke on the aims and activities of the early Bon Accord Board of Trade. Guest speaker for the evening was our MLA, Mr. Ernie Jamison. He outlined the provincial government's idea to establish an industrial park in the municipality of Sturgeon away from centres of population and making use of land not suitable for farming. Taxation would be divided among the towns and villages and the municipal district. The idea received wholehearted endorsement of the meeting. Regular meetings are scheduled for the second and fourth Wednesdays of the month, and everyone is encouraged to join and make ours the very best Board of Trade in Alberta.

The 4H Food Club held their speak-offs on March 19 and 20 with Mrs. Lillian Schick and Mrs. Leona Petherbridge as judges. Official timekeeper was Mr. Logan Carleton. Both judges agreed that the quality and presentation showed a marked improvement over that of last year. A record number of 19 members spoke on a very good variety of subjects with the winner of the junior class being Tami Kowalski, second - Joyce Woywitka and honorable mention going to Bev. Hewitt. Sole speaker for the seniors was Diane Mulligan. Mrs. Schick was very enthusiastic about the 4H public speaking. She thinks it is really great for the young people, developing both their speaking ability and self-confidence.

## THANK YOU

We wish to thank our many friends for their kind wishes and visits to Chuck during his recent stay in hospital.

Chuck and Thale Critchley.

Condolences are extended to Mmes. Jean Chubb, Isabel Moore and Mrs. Schiffrer all suffering the recent loss of their fathers.

#524 Cadet Squadron are sponsoring a pie shoot on Sunday, March 31 from 1 to 6 p.m. in the Bon Accord Community Centre basement. Price is three shots for 25 cents.

United Church Ladies are holding an Easter Tea on April 13 from 2:30 to 5 p.m. in the church basement.

The Local Association for Brownies and Guides met on Tuesday, March 19 with 16 ladies present. After the roll call and reading of the minutes were completed, reports on a very successful tea were given. Numerous events are being planned for the brownies and guides with their wind-up banquet scheduled for May 3 at 6:30 p.m. in the Community Centre basement. The banquet this year will take on a slightly different format with fathers also being included. Meetings for the fall for both clubs will be held every Monday, for the brownies from 6:30 to 8 and the guides from 6:30 to 8:30 in the C.C. clubroom and basement. Registration will take place on Sept. 30 with the first regular meeting scheduled for October 7. The next L.A. meeting will be held on April 9th at 8 p.m. in the clubroom.

A reminder of the 4H Light Horse Club teen dance on Saturday, March 30.

The Bingo Jackpot is now \$70 with 55 numbers to be called. Winner of the Bonanza Jackpot was Mrs. Ella McBride.

Mr. and Mrs. Harry Mulligan were guests of honor at a surprise Silver Wedding anniversary party held in the B.A. Community Centre on Saturday, March 23. Harry and Sarah were dinner guests of Bill and Pat Reynolds prior to the celebration at the Community Centre. M.C. for the occasion was Mr. Stan Kowalski. On behalf of their many friends and relatives, Stan presented Sarah and Harry with an engraved silver tray and a purse.

A reminder to all that the school festival will be held in the Bon Accord School on Thursday, April 4 from 9:30 to 3. A most interesting program will feature drama, gymnastics, dancing, instrumental and choral music, solo and choral speech. The ladies from the B.A. Community Club will have a booth to provide lunches for all wishing to make a day of it. Everyone is not only invited, but encouraged, to attend.

Members from the wrestling class at Bon Accord

attended the Edmonton Regional Junior Olympics Wrestling Championships held at NAIT on March 23. The top three in each class will attend the wrestling trials at Lethbridge on March 30. Results of the trials were - Victor Uchacz, 1st in the 110 lb. 11 and under class; Philip Luchka, 3rd in the 110 lb. 11 and under class; Darryl Kuzyk, 2nd in the 140 lb. 12, 13 and 14 class; Darcy Krysko, 2nd in the 90 lb. 11 and under class; Rick Kreway, 2nd in the 105, 12 and 13 class; Larry Kelly, 3rd in the 133 lb. 12, 13 and 14 class; Warren Everitt, 3rd in the 95 lb. 12, 13 and 14 class. There is a possibility that a few more will be included in the trip to Lethbridge. The boys, with Mr. Dan McKinley as instructor, are to be congratulated on their

good showing as this is the first year that they have been wrestling.

Mr. Archie Jenkins has been transferred from Sturgeon General Hospital to the General Hospital in Edmonton.

Get well wishes are extended to Mrs. Marion Nicholson and Mrs. Joanne Long at Sturgeon General.

A reminder - the regular meeting of the United Church women will be held in the church on Wednesday, April 3rd at 1:30 p.m.

Some art lovers who attended and paid to see the art display in Bon Accord on March 24 were upset to learn that it was shown that evening free.

Five generations gathered at Kiwanis Place, Edmonton to celebrate with Mr. Slater Dennington who is in his 90th year. Pictured are great great grandfather Mr. Dennington, great grandmother, Mrs. Beatrice Cummings of Edmonton, grandmother Mrs. Dorothy Rigney of Bon Accord, mother Norma Clark of Nampa and daughter, little Miss Sheila Colleen Clark.

An Industrial Health and Safety Commission has been established by the Alberta Government to conduct a comprehensive Province-wide study of existing policies and programs in the field of occupational health and safety. The recommendations of this Commission are scheduled to be submitted within the next six months and are expected to form the basis for future legislation.

Public hearings are planned to start in April 1974 and will be held in Edmonton, Calgary, Medicine Hat, Grande Prairie, and possibly other centres depending on public response. All persons or organizations who wish to make submissions or representations to the Commission at these hearings are urged to make such material available to the Commission for review as soon as possible and preferably before April 5, 1974.

The Commission invites submissions, representations, or any relevant information from all interested persons and organizations to assist in this review. These along with any inquiries may be directed to the Commission at the following address:

Executive Secretary  
Industrial Health and Safety Commission  
#202, 11111 - 87 Avenue, Edmonton, Alberta  
Phone: 439-3991

## MLA's MESSAGE

I am happy to have this opportunity of extending best wishes to the organizers of Rec Fest '74, and to wish them every success. The number of people who have become involved in the widely varied programs on which this festival focuses attention, are a good indication of the value of work being done throughout the M.D. of Sturgeon under Regional Recreation.

ERNIE JAMISON, M.L.A.

NEIL PARKER

## CO-ORDINATOR's NOTE

I hope that our GUIDE TO REC FEST '74 is helpful and informative to you as you plan to take in the weekend events. There are so many varied activities that you are sure to find a "nitch" or "crany" that suits you and your family. My thanks go out to the over 500 entrants in Rec Fest '74 and its organizers. Special mention to Mrs. Sandra Petry, Coronado, our Chairman, Mrs. Dorothy Daignault, Miss Karen Weston, Mr. Gary Smith, Father George Primeau (Committee members) and the recreation office staff for their special efforts in making Rec Fest '74 truly "Fun for the Family". If you're in Morinville drop by the office (next door to McGinnis Realty) and if you have any questions phone us at 256-3636 (city line calls at 424-6276). Wishing you the best and hoping to meet you during the festival.
